### REPORT ON EXPERT LECTURE BY

**DR. SANJEEV GUPTA,**

(Professor, Central University of Himachal Pradesh)

The Department of Management Studies organized an expert lecture on “Blockchain Technology Applications” on 25<sup>TH</sup> Feb, 2025 from 10.30 AM onwards for MBA/BBA students. The session was conducted by Dr. Sanjiv Gupta, Professor, Central University of Himachal Pradesh, a leading expert in blockchain and fintech technology. Around eighty MBA & BBA students attended this expert lecture.

Dr. Gupta explained blockchain basics and fundamentals, covering decentralization, security, and consensus mechanisms like Proof of Work (PoW) and Proof of Stake (PoS). He discussed blockchain's real-world applications in finance, supply chain, healthcare, and real estate, along with emerging trends such as Central Bank Digital Currencies (CBDCs), NFTs, and smart contracts.

The lecture was highly interactive, with students engaging in discussions on blockchain adoption, regulations, and industry challenges. Dr. Gupta emphasized career opportunities in blockchain development, investment banking, and fintech. The session concluded with a vote of thanks by a student Mr. Mohit appreciating Dr. Gupta's insights and the institution's initiative in organizing the event. The event was coordinated by Mr. Vikas Kumar and Dr. Renu Aggarwal.
