

REPORT ON EXPERT LECTURE ON SUSTAINABLE INFRASTRUCTURE

The department of Management Studies organized an expert lecture on the topic “SUSTAINABLE INFRASTRUCTURE” on 19th MARCH 2025 for BBA students from 10:30 AM to 12:30 noon by the speaker Mr.Channdeep Singh Arora an IT professional, and an SDG enthusiast. The session was organized under the guidance of Dean Faculty of Management Studies, Prof. Ashutosh Dixit and the Chairperson of the department Dr. Rachna Agarwal. Mr. Arora initiated his lecture by introducing sustainable development and its role in defining the business in SDG Scenario.. He also explained the various aspects of Sustainable Accounting, carbon emissions and various aspects of Sustainable Development and business processes. More than 60 students of BBA attended the session. Students welcomed Mr. Channdeep Singh Arora with great zeal and enthusiasm. The session provided deep insights on the underlined topic. The expert lecture was coordinated by Dr. Renu Aggarwal and concluded with a vote of thanks by the student coordinator, Mr. Mayank Parashar.
