Department of Electronics Engineering

Date : 05.03.2025

Subject : Invitation for All India Seminar on the theme of "Flexible Electronics : Real World Application" (FERWA-2025) in association with The Institution of Engineers (India), Faridabad Local Centre

Department of Electronics Engineering, J.C. Bose University of Science and Technology in association with The Institution of Engineers (India), Faridabad Local Centre is going to organize an **All India Seminar** on the theme of "Flexible Electronics : Real World Application from 7th to 8th March, 2025 at Vivekanand Auditorium. Our University is an Institutional member of The Institution of Engineers (India) and the said theme represent a transformative shift in the way electronics devices are designed, manufactured and used. Unlike traditional rigid electronics, flexible electronics offer the advantage of being lightweight, bendable and stretchable, enabling new possibilities in a wide range of applications, from healthcare to consumer electronics.

Detailed schedule of the Seminar is attached herewith as per Annexure 'A'. All the Deans and Chairpersons are cordially invited to attend the Seminar.

Manish K
