Subject: Mandatory Aadhaar-Bank Account Linking for Scholarship Disbursement 2020-21 to onward.

It has come to our attention that some students who have submitted their online applications for the SC & BC Scholarship Scheme have not yet received the payment. Upon verification, it has been found that the primary reason for the delay is issues related to Aadhaar linking with their bank accounts.

Some students' Aadhaar numbers are shown as inactive, while others have not linked their Aadhaar with their bank accounts at all. A list of such students is enclosed with this notice. (Annexure - A)

All concerned students are hereby instructed to ensure that their bank accounts are linked with their Aadhaar numbers and that their Aadhaar is in active status. After completing the Aadhaar-bank account linking, students must submit proof of the same to the Office of the Scholarship Branch by **20th May 2025**.

Failure to comply with this instruction may result in the non-disbursement of the scholarship amount. Students will be solely responsible for any such consequences.

For any assistance regarding this process, students may contact the Scholarship Branch during office hours.
