Report on visit to " Amrit udyan "
on
18th March 2025

The Department of Business Studies has organized an visit to " **Amrit udyan** " on **18th March,2025** for the students of Bcom(H) under the wisdom of chairperson, Dr. Manisha Goel. Dr. Radhika Sharma, faculty members, Department of Business Studies coordinated the industrial visit along with students Abhishek and Ajay. 21 students of B.Com Program had the privilege of visiting Amrit Udyam, a beautiful garden known for its lush greenery and serene ambience.

The objective is to explore Delhi during the season when it is flushed new flowers and fruits. This report aims to provide an overview of our visit including our experiences, observations and the educational value of the trip. The primary purpose of this visit to Amrit Udyam was to expose students to nature's beauty and create an opportunity for them to connect with the environment. This visit was also intended to foster a sense of appreciation for biodiversity and ecological conservation.

We started our visit in the morning with 21 students and reached the Rashtrapati Estate by riding buses. All the students were very enthusiastic and curious for the garden. We entered the estate through gate number 35 in a long queue by showing the entry passes. We were really mesmerized by looking at the first scene of the garden. Students of different schools from different areas were also came for the visit. During the visit ,teachers also explained about the plants, flowers, trees etc, to the students. Some facts were also written there which were explained to students by the teachers. After visiting the lush and green garden we took exit by following the directions and took the seats in the buses.

The visit to Amrit Udyam offered valuable educational opportunities viz. learnt about different plants, growth patterns, importance in the ecosystem and encouraged discussions on conservation of biodiversity. Our visit with the students was a memorable and educational experience. It allowed us to appreciate the beauty of nature, instill sense of environmental responsibility in our young learners. We look forward to more such enriching experiences in the future.

Engaging in interactive activities like nature walks and bird watching enhanced the understanding of ecosystems and fostered a deeper appreciation for the environment. Overall, the trip to Amrit Udyaan was not only educational but also inspiring, motivating us to become stewards of our planet's natural resources.

List of Students

S.No	Name
1	Garima Saini
2	Kashish
3	Neha
4	Himanshi Dixit
5	Ajay
6	Abhishek
7	Versha
8	Tanisha Dagar
9	Geeta
10	Somya
11	Anishka
12	Nikita
13	Harshita
14	Khushboo
15	Mahak
16	Garima
17	Shivam Sharma
18	Ankit
19	Garima Rana
20	Sadhana
21	Diya
