Date: 24-12-2024

**MINUTES OF DRC MEETING HELD ON DECEMBER 24, 2024 IN THE
CONFERENCE ROOM OF ELECTRICAL ENGG. DEPARTMENT**

Members Present: Prof. Anju Gupta, Prof. P.R. Sharma, Dr. Sakshi Kalra, Dr. Yogendra Arya,
Dr. Rashmi Agarwal

The PhD duration of Six years of Mr. Pragalbha Kant, (Roll No. 18001903001) was completed on 25-07-2024. Based on his application dated 02-12-2024 for an extension of the PhD duration, the DRC members conducted an assessment of Mr. Pragalbha Kant's PhD work.

Findings and Deliberations:

- He was absent during the last progress presentation and prior to that, his progress report was unsatisfactory.
- To date, he has neither published nor communicated any journal papers. He has only presented and published three papers in conferences.
- During the DRC review scheduled on 24-12-2024, it has been found that his research progress is less than 50%. As a result, the DRC does not recommend granting an extension.

However, an extension may be granted to the candidate as a special case by the competent authority. It is important to note that even with a one-year extension, the candidate is unlikely to complete his PhD work.
