Ref. No. R & D/2025/6533

Date: 31.01.2025

IMPORTANT NOTIFICATION

Sub: Regarding maximum time limit for submitting final thesis of Ph.D. program

It is informed to all concerned that the maximum time for submitting the final thesis of Ph.D. program is calculated from the date of admission of the candidate as per Ph.D. ordinance 2017 and applicable for all the batches admitted in July 2017 or afterwards.

Candidates must ensure that they complete all formalities like paper publication, attending conference, and five satisfactory progress reports before the pre-submission of Ph.D. thesis. Also, pre-submission must be completed at least two months before the date of final submission as per the ordinance (i.e. six years without extension).

It is imperative to strictly follow the prescribed time limit for submission. Late submissions will not be accepted under any circumstances and may lead to cancellation.
