

## J.C. Bose University of Science & Technology, YMCA, Faridabad

(Established by Haryana State Legislative Act No. 21 of 2009 & Recognised by UGC Act 1956 u/s 22 to Confer Degrees)  
Accredited 'A' Grade by NAAC

Date: 12/12/2022

Subsequent to the meetings held in the office of Director R&D on 14/11/22 and 12/12/2022, the policy for sanctioning University Research Scholarship to the Ph.D. students from the session 2022-2023 was discussed. Following members were present for the same

1. Dr. C.K. Nagpal
2. Dr. Naresh Chauhan (Director R&D)
3. Dr. Maneesha Garg
4. Dr. Rajeev Saha (Dy-Director R&D)
5. Dr. Sunil Kumar
6. Dr. Harish Kumar

The committee resolved as under:

Keeping in view the following mandate of 24<sup>th</sup> Academic Council meeting dated 19/7/2022

*"To consider and approve the recommendations made by the committee constituted for assessing /reviewing the grant of Research Scholarships to full time Ph. D scholars"* the Council approves that

- (i) The total number of Ph.D. Scholarships may be kept as 4 in place of 6 as proposed.
- (ii) The scholarship of the concerned research scholars to be reviewed after 2 years and the scholarship may be increased or stopped on the basis of evaluation of progress report of candidate/scholar by a committee.
- (iii) The scholarship may further be extended in exceptional cases keeping in view of the progress report of the candidate.

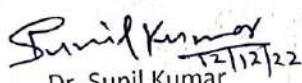

The Committee is of the opinion that as there are only four scholarships, the various faculties of the University may be divided into four different groups as under:

1. Faculty of Engineering and Technology (Mechanical Engineering/Electrical Engineering/Electronic engineering/Civil Engineering/ Environmental Engineering)
2. Faculty of Informatics and Computing (Department of Computer Science/ Department of Computer Applications)/ Faculty of Interdisciplinary studies and Research

*Sunil Kumar 12/12/2022 (Harish Kumar) 12/12/2022 Maneesha 12/12/22 Rajeev 12/12/22*

3. Faculty of Management studies/ Faculty of Life Sciences/ Faculty of liberal arts and media studies (Department of English/Department of Journalism and mass communication)
4. Faculty of Sciences (Department of Physics/ Department of Chemistry/ Department of Mathematics/ Department of Environmental Sciences)

1. The Scholarship will be issued amongst the faculties in the same group on rotational basis. The rotation shall start on alphabetical basis. This information will be provided in advance to the R&D section so that the name of Faculty and Department can be mentioned in the prospectus for that session.
2. Dean of the concerned faculty will grant the scholarship to the Department again on rotation basis.
3. In case the Department having scholarship for that year does not fill its seat, it may be granted to the other department by Dean of respective Faculty.
4. Department will recommend the name of the student having highest merit to the R & D cell.

  
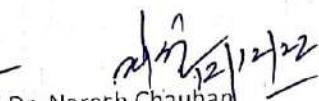

Dr. Sunil Kumar 12/12/22
