

A Report on **Colloquium on “Classroom to Boardroom”**

10 April 2024

The Department of Management Studies organised a Colloquium on “Classroom to Boardroom” for students of MBA and BBA programs.

Prof. Sanjiv Gupta, an industry veteran with more than 40 years of experience was the expert speaker for the session. The aim of the session was to equip students with the essential skills, mindset, and values necessary for transition from academic environments to the dynamic demands of the corporate world.

Prof. Ashutosh Nigam, Dean, Faculty of Management Studies and Dr Rachna Agrawal, Chairperson, Department of Management Studies welcomed the expert Prof. Sanjiv Gupta. In his address, Prof. Gupta emphasized the importance of multifaceted skill set comprising hard skills, soft skills, and human values. He stressed the importance of having a strong desire to learn, adaptability to work in various situations, and the readiness to face the challenges that come with entering the corporate world. He shared ways on how to tackle these challenges and encouraged the students to think outside the box, be innovative, and flexible in adapting to the dynamic situations that they may face.

At the end of the session, Dr. Gunjan Gumber gave a vote of thanks. She expressed her gratitude towards the expert's guidance, which served as a catalyst in inspiring the students to approach their future endeavours with enthusiasm, and confidence. Dr. Renu Aggarwal and Dr. Gunjan Gumber coordinated the session efficiently.
