One-Day Workshop: "**Safe Lab Practices 2.0 – Environment, Health & Safety**"

The Department of Chemistry organized an expert lecture on One Day Workshop on "Safe Lab Practices 2.0 – Environment Health and Safety" on November 21, 2025. The session was delivered by Dr. Jayant Sindhu, Assistant Professor in Department of Chemistry, Haryana Agriculture University, Hisar. It was attended by UG and PG students of Chemistry. The program was coordinated by Dr. Sunil Kumar, Assistant Professor, Chemistry Department. The Department extends sincere thanks to Hon'ble Vice-Chancellor Prof. Rajive Kumar, Registrar Prof. Ajay Ranga, Dean (Faculty of Sciences) Prof. Anuradha Sharma and Chairperson Dr. Ravi Kumar for their continuous support and encouragement in facilitating such academic initiatives.

The workshop was started with Maa Saraswati Vandana and lamp lightening. The expert speaker was facilitated with a Sampling by Dean (Faculty of Sciences) Prof. Anuradha Sharma, In the workshop, overall four technical sessions were held (10:30 AM – 3:30 PM).

Dr. Jayant discussed various aspects of lab safety related to academic labs and industries, types and use of the equipments for lab safety, disposal of wastes from chemical laboratories. At the end of each

technical session, online quiz were held and winner students were facilitated with gifts. The winner of overall quiz competitions was Mr. Vishal from **M.Sc.** Chemistry I Sem (First position) and Mr. Badal from **B.Sc.** Chemistry (Hons.) Sem I (Second position).

The workshop sessions were proved highly informative and motivating, offering valuable guidance to students related to their safety during experimental work. The workshop was ended with the Vote of Thanks given by Dr. Sunil Kumar and thanked to all the dignitaries and students for their enthusiastic participation.
