D.O. No. F.1-50/2021(ABC/NAD)

06th March 2025/ 15 फाल्गुन 1946

महोदया/ महोदय,

The NEP 2020 envisions moving towards a higher educational system consisting of large, multidisciplinary universities & colleges and aims to create imaginative and flexible curricular structures promoting a credit-based system that encourages flexible, integrated, and multidisciplinary education thus, removing currently prevalent rigid boundaries and creating new possibilities for life-long learning offering multiple entry and exit points.

To ensure the realization of the vision of NEP 2020, the role of Academic Institutions is critical by ensuring the timely upload of credits to the APAAR credit repository and mapping them with the students' APAAR IDs. This is essential to facilitate the redemption and transfer of credits.

As per the Ministry of Education's D.O. letter No.F.16-5/2020-TEL-Part (4) dated 07.11.2024 and further informed by the UGC vide D.O. letter No.F.1-50/2021 (ABC/NAD) dated 21.11.2024, to streamline the process of data capture for APAAR, it was communicated that **for the examinations/assessments conducted in any month of 2024, the credit information shall be uploaded/mapped with student APAAR IDs by June, 2025**. The said data will be frozen and no further modifications will be allowed after the above timeline.

In view of the above, all the HEIs (Universities/ Autonomous Colleges/ Stand-alone Institutions) are once again requested to take necessary action for compliance within the cut-off date as mentioned above.
