REGISTRATION OF STUDENTS FOR ONLINE 1st -SEMESTER EXAMINATIONS April-2021

The University is conducting the ODD semester theory (main & reappear) examinations of 1st semester students for UG/PG programmes in online mode, to avoid the mass gathering during COVID pandemic. All students of University Teaching departments need to register themselves on the University web-portal www.jcboseustymca.co.in w.e.f 31.03.2021 to 02.04.2021 by clicking on I Agree link at the end of this page. It requires web cam enabled PC/Laptop/Tablet/Mobile etc with internet connectivity. All the Students are advised to arrange the same to enable to appear in these examinations.

All Students must note the followings:-

a) The question paper will contain multiple choice questions (MCQs).

b) There will be 50 MCQs to be attempted in one hour. This duration and the number of questions may vary in case of few subjects papers where the nature of questions(s) may deemed it appropriate, so as to enable the students to attempt accordingly. It will be clearly mentioned before start of exam.

c) A training/demo test will also be arranged to make students familiar with the detailed procedure of these examinations. Each student must participate in training/demo test

d) During the examination, e-proctoring facility will be used to invigilate the students. Each and every student will be under e-surveillance through picture/video recording during entire duration of exams, using Artificial Intelligence as well as online Invigilation by the Invigilators. No student will be allowed to use any unfair means. No other window/program/app etc will be functional on the screen during examination. Any attempt to do so will cancel the exam. Any unwarranted activity/attempt will lead to auto-issuance of warning to his/her screen as well as to the invigilator. Repeat of any such incidence will automatically cancel the exam and UMC will be registered instantly.

e) For the students using their mobile phone, it will mandatorily require to download an App from Google play store/App store. Details will be provided during training / Demo test.

f) In case of genuine interruption during the conduct of any exam, the system will automatically freeze and save as it is. Reconnection to the server will restart from the point it was disconnected and not cause for any time loss/ re-attempt.

g) A helpline will also facilitate the students to report any unexpected error. In such genuine cases, student will be allowed to restart the exam.

h) All further links for online connect will be made through e-mails/sms to be provided by respective student during this registration. Please be careful in filling of these (please provide correct email id & phone as no change will be possible thereafter.

i) Please note each student fills the correct subject name and code in which he/she has to appear. It will not be possible to remove any such error at late stage and will lead to inability to appear in online exams
