## VASUNDHARA ECO-CLUB

### THE ENVIRONMENT SOCIETY OF YMCA

Vasundhara ECO-CLUB, J.C. Bose University of Science and Technology, YMCA, Faridabad has been established to create awareness and build Youth for tomorrow who are sensitive to the Mother Earth and can transform the society with people who could be applauded as the Paryavaran Prahari.

The ECO-CLUB focuses upon various activities along with the society in the field of environment protection and conservation through major initiatives in four key areas:

1. **WATER CONSERVATION**
2. **PLANTATION DRIVES**
3. **ELIMINATING THE USE OF SINGLE-USE PLASTIC**
4. **SOLID WASTE MANAGEMENT**

## OBJECTIVES

- To sensitize, encourage and engage students in activities that help to value environment.
- To sow the seeds of love for nature in the young minds of the youth.
- To encourage students to identify the solutions for local problems and innovate through knowledge sharing.
- To undertake necessary awareness activities to influence masses to be mindful about deteriorating Environment.
- To build an eco-friendly mindset in society which will help in conservation of natural resource, i.e. enough for need and nothing for greed.

This will be achieved  
by promoting 3Ps:

By adopting 4Rs

**The eco-club emphasizes  
on environmental  
awareness among 3S -  
students, staff and  
society.**

These initiatives will help to bring awareness among people and motivate them to acquire ecologically responsible behaviour. Tree plantation activities to reduce the impact of the ongoing deforestation. Eco-drive will be initiated with bringing in solutions and not just focusing on problems alone. Through our initiatives we wish to develop a healthy growing society.

# Glimpse of Activities

## "TULSI PLANT DISTRIBUTION PROGRAM"

Vasundhara Eco-Club - The Environment Society and Department of Environment Science and Engineering of J.C. Bose University of Science and Technology, YMCA initiated a "TULSI PLANT DISTRIBUTION PROGRAM" from 16th - 17th September 2021 on the occasion of International Ozone Day and Foundation Day of University.

The Tulsi saplings were distributed by the Vasundhara team and appealed to all to adopt at least one Tulsi plant as it is having enormous medicinal properties and proved to be immunity booster during COVID-19 pandemic. The saplings were adopted by the staff, faculty members, students and society people as well. Come! let's serve for nature by adopting one plant.

**DATE:** 16th - 17th September 2021

**DURATION:** 2 Days

**NO. OF SAPLING DISTRIBUTED:** More than 900

**MODE:** Offline
