13	Overall infrastructure of the University				■		
14	Overall experience at the University					■	

Any advice from your side: I findYMCA university, in the top 1% of all the university I have ever visited. The students are well disciplined and curious to attend the new courses taught to them. They are sound at fundamentals and take full participation while teachingand working hands on in Laboratories. I have taught three courses using Pi3 board, Arduino and now with google co-labs for IoT, Data Science and AI. I am completely satisfied and rate it in best universities of India.
