Subject: - To Park the two wheelers at appropriate parking area only

It has been observed by security supervisor that a lot of two wheelers are being parked at various locations, (eg. Near CV Raman Block/Mechanical Engineering department/Maintenance Office/Library/Administrative block etc) of the campus by the staff and faculty members of the university which results unnecessary creation of inconvenience towards the road clearance. The matter has been viewed very seriously by the concern authority.

Keeping in view of the facts explained above, all concerned staff and faculty members are hereby requested to park their two wheelers in an organised manner at nominated parking area ie near cafeteria building and back gate only and also requested to co-operate security staff to avoid any complicacy at a later stage.

Your kind cooperation in this regard will go a long way to help the security personnel for performing their security duties in the best interest of the university.
