Sub: Awareness on New Education Policy 2020 amongst stakeholders and Participation in MyNEP Competition – Regarding.

Sir/Madam,

Your kind attention is invited on the subject cited above.

As you are aware, the National Education Policy 2020 (NEP-2020) was approved by the Union Cabinet on 29th July, 2020 paving the way for transformational reforms in education in the Country. There is need to create awareness about NEP-2020 amongst teachers, students, officials and other stakeholders in the higher education system.

Ministry of Human Resource Development (MHRD), Government of India has recently launched a nationwide awareness campaign on the recently unveiled National Education Policy from September 11, 2020. The competition will also include a comprehensive discussion on the scope, scale and impact of reforms under the National Education Policy. From 25 September 2020 to 02 October 2020, popular and attractive competitions based on MyNEP will be organized in online medium- social media and website (www.mynep.in).

The My-NEP competition will be held in 13 languages, four sub-disciplines such as India-centric holistic education, knowledge-based society and quality education. The competition is divided into three categories, first class of classes 9-12, second graduate category and third civil category. Important and attractive prizes will be awarded to the winners in each category. Each contestant will receive a participation certificate. Competitions such as handmade painting, mime-making, letter writing to the Prime Minister, speech competition, essay writing competition, short film direction (production), digital designing and Twitter thread creations will be organized under the My-NEP competition. Apart from these category-specific competitions, an interactive (informative) quiz on various aspects of national education policy will also be conducted through online medium. The names of the winners will be announced on "05 October 2020". The participants will be awarded certificates and cash prizes amounting to more than Rs. 50 Lakhs.

Since the 'NEP-2020' is an outcome of wide-ranging democratic participation, the awareness campaign too will be spearheaded by young and passionate volunteers. The NEP Ambassadors will be appointed to manage and lead the 'MyNEP Competition'-related activities online. Furthermore, schools and higher education institutes can also partake in the awareness movement by taking the NEP Pledge in support of the latest policy.

Cont...2

In view of above, your cooperation and contribution is highly solicited on following Points:

- To inform/aware all students, teachers, officials and other stakeholders through all possible means of communication about this awareness campaign.
