2. Dr. Vishwas Khurana
3. Dr. Nobel Tomar
4. Dr. Heena Gupta

Following agenda items were discussed in the meeting.

- 1 The minutes of 9<sup>th</sup> departmental meeting were confirmed.
- 2 The scheme and syllabus revision of MSc (Chemistry) program was discussed, and the following have been proposed:
  - a. **In Semester-II:** 'CH-204A - Computational Techniques' course could be replaced as 'Elective' and new electives may be floated of 3-credits to opt one of them.
  - b. **In semester-III:**
    - i. 'CH-301A Spectroscopy-I, CH-302A - Spectroscopy - II and CH-303A - Analytical Techniques' courses must be merged in two General Elective theory courses (4-credit each) to be opted by all the student irrespective of their choice of specialization.
    - ii. Specialization based two-core theory courses and two-laboratory courses of 3-credit each could be offered pertaining to respective choice of specialization. All faculty proposed to shift two core specialization theory courses of IV semester in current scheme to III semester except Dr. Heena who has suggested to dilute the student load further.
  - c. **In Semester IV:**
    - i. The specialization based two-core theory courses of 4-credit each can be floated as per the current trends and needs of respective subject specialization.
    - ii. Project dissertation emphasis must be enhanced to 16-credits with flexibility to **opt** in-house research project work or carry out project work in reputed research institute/laboratory/industry

with due permission of the Chairperson. [In case of outside project work, the department faculty will be assigned as Co-supervisor to monitor the progress of student]

The meeting ended with vote of thanks to the chair.
