Prof. Padam Kumar (Prof. & Head Deptt. of Computer Engg., IIT Roorkee) and Prof. Rahul Rishi (Prof. & Head, Deptt. of Computer Engg., M.D.U Rohtak) could not attend the meeting.

At the onset, the Chairman welcomed the members of the meeting of BOS. The following deliberations were made as per the items mentioned in the circulated agenda:

**1. To confirm the minutes of BOS held on 15<sup>th</sup> Nov 2011.**

The minutes of the BOS meeting held on 15<sup>th</sup> Nov 2011 were confirmed.

**2. To discuss the result of course work of the PhD scholars admitted in session 2011-2012 and consider the recommendations of DRC regarding registration of PhD candidates who have successfully completed their course work.**

In total, there were 10 scholars and all of them have successfully completed their course work and presented their synopses before the DRC held on 21<sup>st</sup> March, 2012. The BOS approved the registrations of the Ph.D. scholars with the university with suggested minor modification in their research topics. (Annexure-A).

**3. To consider and approve the panel of Examiners for theory and practical Examinations for UG/PG courses for academic session 2012-2013.**

The members approved the proposed list of examiners for theory and practical examinations of UG and PG courses for academic session 2012-2013, attached

as Annexure-B. Furthermore, the members authorized the Chairman BOS to change the examiners as per needs.

**4. To consider the Annual Progress Report of PhD scholars admitted in 2010-2011.**

The board members decided that scholars would physically present their annual progress before the DRC after submitting two end semester reports duly signed by their respective supervisors to Chairman of the department.

**5. To consider the case of removal of the subject of Soft Skill from MCA 1<sup>st</sup> Year.**

The students have joined the MCA course after doing graduation from some University and it is expected that they have already developed some kind of soft skills. Therefore, as proposed, the board decided that the subject of Soft Skill be removed from the MCA 1<sup>st</sup> year w.e.f. session 2013-14 and will remain in the current scheme as a self study subject for which a general proficiency viva will be conducted at the end of the semester on internal assessment basis.

**6. Constitution of Departmental Research Committee (DRC) for PhD admissions in year 2012-2013.**

The BOS decided that a Departmental Research Committee consisting of following members be constituted comprising of Faculty members possessing Doctoral Degree, on rotational basis for the period of two years i.e. for the session 2012-2013 and 2013-2014:

1. Dr. Naresh Chauhan
2. Dr. Komal Kumar Bhatia
3. Dr. Atul Mishra
4. Dr. Ashutosh Dixit.

**7. To consider the formulation of guidelines regarding associating GATE scholars as Teaching Assistants with the teachers.**

The members decided that GATE scholars pursuing M.Tech. must be associated with the departmental faculty as Teaching Assistants or for the research work.

**8. To consider the revision of syllabi of UG/PG courses.**

The BOS decided that the faculty members may be requested to revise the syllabi of their concerned courses. The updated scheme and syllabi considered thereof will be placed before the next BOS. A committee consisting of following members has been constituted for the compilation of the revised scheme and syllabus:

1. Dr. Naresh Chauhan
2. Dr. Atul Mishra
3. Dr. Ashutosh Dixit

4. Dr. Parul Tomar
5. Dr. Anuradha

**9. Any other item with permission to Chair.**

The following agenda items were taken as additional items in the BOS:

1. The Ph.D. scholars admitted in 2010-2011 and 2012-2013 have not been provided registration letters till date. The members observed the problem and decided that Chairman of the department will take up the matter with the academic section for necessary action.
2. Some faculty members were of the view for adding some programming language oriented courses in M.Tech. curriculum. The members suggested that audit courses on programming may be included in the scheme of first three semesters to enhance the programming skills of students.
