Sh. Ravi Singh
Secretary General & CEO
World Wide Fund for Nature-India

Mr. Ravi Singh has been the Secretary-General and Chief Officer of World Wide Fund for Nature (WWF) India. Prior to his present responsibility, he worked with two international banks before moving to pursue the larger cause of conservation. His abiding interest in the conservation of nature led to his association with several conservation organisations like WWF and Natural History Society (BPHS).

As head of WWF – India he contributes to conserve biodiversity and further sustainability. A keen sportsman, a trekker, and traveler, a historian and reader, his varied interests and hobbies are linked with his core interest in nature and conservation.

WISDOM SUMMIT 2020

Sh. Ravi Singh
Chief Technical Officer
ESCO Pacific

He has over 32 years of experience in the energy, industry, infrastructure and other segments of the market. His qualifications include Bachelor and Masters degrees in Electrical Engineering from IITs and Executive MBA from AGSM in Australia.

After completing his graduation, he joined Erickson Electric as Marketing Trainee and worked with them for 9 years in their Delhi Office. He moved to Australia in 1993 and joined Schneider Electric where he worked for 21 years at various senior roles before accepting role of Chief Technical Officer (CTO) with a renewable energy start-up, ESCO Pacific.

He is passionate about clean energy and made transition to solar industry when it had just started gathering momentum to become mainstream energy source globally. His experience in the solar industry now spans over 7 years and over 500MW of Solar Power Plants in Australia.

Prof. Dinesh Kumar
Vice-Chancellor, JCBWU/ST, YMCA

He has over 30 years of experience in the field of education. He has been a faculty member in various engineering colleges and has been a visiting professor in several universities. He has been a member of various committees and has been involved in several social and cultural activities. He is a passionate about education and has been working towards the development of the education sector in India.
