**Leader's Profile**

**Prof. Bharat Bhasker**  
Director - IIM Raipur

Prof. Bharat Bhasker is the current Director of IIM Raipur. Before joining IIM Raipur, he was associated with IIM Lucknow for over 2 decades having served in various capacities including being the acting Director of IIM Lucknow in 2015. His areas of expertise include Data Management, Network Security and Software Engineering. An authority in the area of digital economy, he has published multiple papers in international academic journals of high repute and authored several books. Dr. Bhasker's book, *Electronic Commerce: Framework, Technologies and Applications* published by McGraw Hill, has a globally acclaimed following and is in fourth edition.

Dr. Bhasker was also awarded the prestigious Best Director of Business School Award at Decision Science Institute, USA (Indian Subcontinent) in the 12th annual conference of Indian Subcontinent Decision Science Institute (ISDSI) in December 2018. Dr. Bhasker has almost three decades of international experience in industry, research institutions, teaching, management development and consulting. Dr. Bhasker spent 11 years working in the leading research establishments in USA, including seven years with Goddard Space Flight Center of NASA, Maryland.

Dr. Bhasker is an active researcher in the area of Electronic Commerce and Big Data Management. For his salient research contributions in Heterogeneous distributed data management and information access, NASA honored him with IIM Best Research Productivity Award in 2004. Dr. Bhasker has also been associated as Visiting Professor with ESCP Business School, France, Chung-Ang University, Seoul, Korea, University of Maryland, University of California and University of Texas, USA.

Dr. Bhasker has also served in Technology Advisory Committee of Controller of Certifying Authorities in Ministry of Information Technology and as a member of Advisory Committee to Unique Identification Authority of India.

Mr. Ajay Sharma (Startup Cell)  
Dr. Sanjeev Kumar (TPO)

**Leader's Profile**

**Prof. Bhal Chandra Joshi**  
Tata Institute of Fundamental Research, Pune

He obtained his Engineering degree from IIT, Kharagpur and M.Tech. from IIT, Powai, Mumbai and Ph.D. from University of Pune in Astronomy and Physics. After a post-doctoral fellowship at University of Manchester, he has been with National Centre for Radio Astrophysics - Tata Institute of Fundamental Research. He started his career from Telco now known as Tata Motors. He is in a profession of his passion. He has been actively involved in setting up the Giant Metrewave Radio Telescope, in particular in development of the control systems of the 45-m antenna. He has developed radio astronomy instrumentation for both the Outy Radio Telescope and the GMRT in the last 20 years.

He has been a member of science committee of space based observatory, Radio-Astron (Spektr-R) and carried out research projects using Very Large Baseline Interferometer with earth-spacecraft baselines. He has also actively worked in spread of awareness of space sciences through a Radio Physics Laboratory operational at NCRA-TIFR for more than a decade. Apart from teaching graduate school courses, he has supervised 6 doctoral theses and is currently a co-supervisor of another doctoral student. He has co-supervised 17 Master of Science theses, 9 Master of Technology projects and 11 Bachelor of Technology projects from institutions across the country.

He has published 63 articles in refereed international journals and 76 articles in conference proceedings on pulsar astronomy. The search for new pulsars is computationally intensive and requires use of high performance computing. As this has been his primary interest, he has been working with computational scientists to develop efficient search.

J.C. Bose University of Science & Technology, YMCA, Faridabad (Haryana) organized a "Leadership Talk" on 31<sup>st</sup> October 2020.

### **Keynote Speakers:**

Prof. Bhal Chandra Joshi, Tata Institute of Fundamental Research, Pune

**Major Themes of the Webinar:** Wonderful Drums of the Universe.
